PROFILE

A creative, motivated, and detail-oriented graphic designer student looking for an entry-level job/internship opportunity in your company. Passionate about full-stack web development and UX/UI Design. Skilled with Adobe Creative Suite, Figma, and both frontend and backend programming languages.
Coachable and passionate about collaborating with a team when working on projects.

PROJECTS

LANDING PAGE

- created a landing page with dark/light mode to showcase my skills in my personal website deployed from GitHub
  Click here to visit my site : https://shubhakhadgi.com.np

LOGO AND MENU DESIGN

- designed the logo and menu layout for a soon-to-be-launching bakery.
- I worked on the project to create a simple and effective design, keeping in mind the typography, color scheme, and goal of the company.

AIR LINES TICKET

- designed a clean, efficient, and thoughtful ticket design for an airline
- submitted the project as a participant in Unleash Your Creativity organized by KUOSC Design Community for the month of August 2022

MAGAZINE COVER

- worked with grid & layouts, playing with different font styles and color palettes to create an eye-catching cover for a magazine.

PRODUCT AD

- designed a t-shirt advertisement template for KTM City as a personal project using Adobe Photoshop

POSTER TEMPLATES DESIGN

- created banner and poster templates for advertisement, selling and marketing purposes
