KIST College (8th Semester)
2019 - Present

SKILL

Personal

Communication Skills
Proactive
Attention to Detail
Team Player
Time Management

Professional

ReactJS
Typescript
Javascript
Bootstrap
Tailwind CSS
Github

PROFESSIONAL PROJECTS

Hotel Thrive

Designed the artworks and interface for Hotel Thrive ensuring easier navigation using HTML,CSS and JS
Link: https://www.hotelthrive.com/

Bonum Cha Website

Worked on the design and flow of this website for Bonum Cha using WordPress and Elementor
Link: https://www.bonumcha.com/

Vivid Interiors Website

Worked on design and flow of this website for Vivid Interiors
Link: https://vividnp.com/

PERSONAL PROJECTS

React Learning Site

A website built by implementing basic concepts I've learnt in React and deployed the site via Vercel
Link: https://react-learning-site.vercel.app/

Weather App

Worked in creating a weather application using ReactJS to fetch and display weather data using
OpenWeatherAPI
Link: https://weather-app-react-lovat.vercel.app/

Mini JavaScript Projects

Practiced and enhanced JS skills by building mini projects
Collision Detection: https://rb.gy/67r2mm
DVD Screensaver: https://rb.gy/fl39qq
Particle Generator: https://rb.gy/a9n4el
Space Shooter: https://rb.gy/qma32l

Virtual Instrument Player

Coded and deployed a website that lets you play musical instruments online, built using JS
Link: shubhaaaaaa.github.io/virtualmusic_app/

Portfolio Website

Created a landing page with dark/light mode to showcase my skills in my personal website deployed from
GitHub, using basic HTML, CSS & JS
Link: https://shubhakhadgi.com.np/
